

Beer Talks!

13th Edition 9th June 2020

A lovely selection of bags and hearts

Welcome

Welcome to the 13th edition of Beer Talks! We hope you are well and keeping safe!

This week, we would like to take just a moment to remind readers that there are, unfortunately, those in our village who are being hit really hard by the fall-out from the coronavirus, including its potentially harmful effect on our jobs, businesses, finances and health.

We also know that it is so easy to miss the signs of distress and anxiety in our friends and neighbours as they are usually great at hiding how they actually feel by putting on a convincingly brave face to the outside world.

Our message today to all out there who are feeling vulnerable in any way is that you belong to an incredibly caring and supportive community and we will do

whatever we can to help you through these difficult times.

Our coordinators and volunteers are now very experienced both in providing help themselves and also signposting issues and problems to others who may be better placed to deal with them. And don't forget that everyone is very welcome to join in any of the many crafty activities that are underway, to join in the Beer Hangout sessions and, of course, to start up something new for the village – we are open to all sorts of suggestions!

Finally, if you would like to have a chat with someone in complete confidence, please call Lee Reeve on 07890 948262. For craft activities please call the joint Heads of Fun, Wendy and Bramble, on 07760 781695.

Don't forget, Beer cares!

Notices

- *Just a reminder that we are now required to wear **face coverings** on public transport. If you would like one of the Beer craft group's face coverings (for a small donation) please contact Kim Vine 07767 778248 or Helen Turberville on 07817 078004;*
- *Unfortunately, there have been a few shed break-ins in the village over the last few weeks so please make sure that all your belongings and outbuildings are safe;*
- *Just a slight correction for the **Good as New Sale**, for health and safety reasons we cannot accept donations of shoes and handbags. Please take any good as new ladies and men's clothes to the Hub Tuesdays between 11.30 – 12.30.*

FOOD BANK

We all know that the COVID-19 crisis is not over so we thought we would remind people of some of the help that is available.

We have had confirmation that Seaton Food Bank (which covers Beer as well) will be operating throughout this crisis. To access the service, you will need a referral form signed by either a school, Health Visitor, Mental Health Services or GP, Social Services, the Job Centre, a Church minister, Citizens' Advice or Action for Children.

If you have children under 8 years old, Amanda Partridge of Action For Children can refer you directly to the food bank service. Amanda's contact details are 07540 919874 and amanda.partridge@actionforchildren.org.uk

At the moment The Seaton Food Bank is open every Wednesday 2-4pm and is located at Number One, 1 Harepath Road, Seaton, EX12 2RP if you have been given a paper voucher please bring it with you.

If Seaton foodbank receives an email from your referral agency they will phone you to find out what you need, and make arrangements with you to have your food ready for Collection or to arrange a delivery slot.

Don't forget that you can also get food supplies from Lee's Emporium on Barline.

Notices

- The **Beer Garden Gate Flower Show** is on 6th August so get growing, making and baking!
- **Lee's Emporium** will now be open between 10.00 and 19.00 for food collections and so on;
- Remember to get your **bunting** up for the Queen's tea party in your garden on Saturday 13th June;
- **Chunky** has made some beautiful crab pots – see below. They are available for a donation of £40 each, which will go to the Seaton Hospice Nurses at Home and the Children's Hospice South West. Please contact Annie for more details on 07968 157136.

Knitting Tips

For those of you who wish to knit blankets for the premature baby unit, we just wanted to let you know that there is no set pattern as such.

They do need to be big enough to drape over a bag of sugar and be soft to the touch on the face.

They can be 4 ply, DK or Aran.

The most popular size is approximately 12" by 15".

If you need further instructions, please contact Wendy and Bramble on 07760 781695.

Keep on knitting!

Nikki Tunnell and Bev Gibbs present farewell gifts to Debbie and Dave of the Beer Village Stores.
