

Beer Talks!

Special Edition 2nd September 2020

A

Welcome!

Welcome to this special Garden Gate Flower Show edition of Beer Talks.

As scheduled and despite the fog and intermittent drizzle, we held the Beer Garden Gate Flower Show on 6th August 2020. The number and quality of entries was very impressive indeed and we thought you would like to share some of the photos that we took at the event.

The show took about 2 hours to judge as we drove around the village stopping at all the tables groaning with beautiful fruit, vegetables, crafts and, of course, flowers. Our thanks go

to all those who took part and made such a huge effort with their entries.

The event was “just for fun”, as Annie kept reminding us on the day(!), and so there are no prizes as such but we really hope that you enjoyed taking part. We all thought it was lovely!

Finally, just a quick reminder that the next Beer Sale Trail is taking place on Sunday 6th September from 11am – 4pm and so if you have anything you want to sell or you would like to pick up a bargain, then this is the perfect way to do so.

Please note that Ruth Bullock is the contact for this event and she will be adding gates to a map this time to help sales so if you would like to take part, then just let her know on 07811 988338.

Finally, feel free to send this newsletter to anyone on your email list.

As always, keep safe and thank you!
