

# Beer Talks!

18<sup>th</sup> Edition 6<sup>th</sup> November 2020

## Welcome back!

A warm Beer welcome to everyone in the village as we prepare to go through Lockdown 2.0, the sequel!

It seems like we are in for a bit of a tricky time over the next few weeks and so we thought it would be useful to let you know that the Beer Action Group is back in harness and ready to help where we can.

This newsletter contains a few key notices to let you know what is currently going on and as the situation develops and more information is forthcoming, then we will let you know in subsequent editions.

In the meantime, keep safe and keep well!

## Notices

- **Lee Reeve** is once again leading the Beer Action Group's response to the COVID-19 situation - many thanks Lee!
- We have had a tremendous response to Lee's request for **street coordinators and volunteers** and now all the roads in the village are covered by this team.
- On the back of this newsletter you will find the **contact details** of your local street coordinator(s). Please keep this information to hand just in case you need to contact them. Many of the street coordinators are the same as last time but there are some new recruits as well. Also, some roads may have more than one coordinator.
- If you do need help and can't get hold of your coordinator, please call Lee on 07890 948262.
- We are really lucky that we now have a highly experienced **Wellbeing Lead** for the village – please welcome Debs onboard! Debs will be helping us take better care of our mental health and has a range of resources, hints and tips available to share to keep us all on track – more in the next issue of the newsletter.
- Our **village crafters**, led by Wendy, Head of Fun, are currently thinking up new projects that we can get involved in, particularly during the run up to Christmas.
- If you have any **ideas** about what we can do as a village to keep up morale or can think of lovely crafty things we can make, please do let your street coordinator know.

# INFO ON LOCAL SHOPS AND RESTAURANTS DURING LOCKDOWN 2 - UPDATE 6<sup>th</sup> NOVEMBER 2020

---
